

Carlos Jacobo

Salinas, CA

crlsjcb05@gmail.com

Skills and Certifications:

-Tech savvy; frequently done maintenance and upgrades on multiple PC's (others' as well as my own) and have deep knowledge of the industry. Studying for CompTIA A+ Certifications

-Bilingual; fluent speaker, writer and reader in English and Spanish

-Welding experience in both SMAW (stick) and Mig welding

-Forklift Operator's license

Education and Work Training:

-2010 and onward; attending Hartnell College for associates degree in Diesel Technology

-2011; completed full class on SMAW (stick) and Mig welding at Hartnell College. Also, passed SMAW certification testing, only one in the class.

-2009 to 2010; completed Forklift, Welding and Small Engine Repair class at Mission Trails

-2010; North Salinas High School graduate

Volunteer Work / Work History:

-November 2009 to April 2010; volunteer at Mc Kinnon Elementary School as an after school teacher's assistant. During the first hour, I would assist the children, either reading to them, or doing class assignments together. After they went home, I would assist the teacher in checking homework or doing class maintenance.

-July 2011 to August 2011; Worked at Jaime's Body Shop, part of Chilango's Body Shop, on Boronda Rd. I did this while I was on break from school, and at the shop my duties included shop maintenance, painting, body repair, and pickup & deliver.

If you have any questions and would like to contact me, please email or call! I hope to hear from you soon!
